Wednesday, September 28th

6:30 p.m.

Meeting Notes

- Q&A with Dr. Wei

- After school programs will be starting up in the coming months, including ST Math for 2nd – 5th grades.
- We will most likely not move to a longer school day this year, but all of CPS is expected to next year.
- Parents need to be courteous in the parking lot and follow the procedures for drop-off.

- Parent Patrol

- A representative from CAPS spoke about starting a Parent Patrol program.
- A Parent Patrol is an organized group of responsible adults who observe and monitor all activities around schools to help ensure safety of children before and after school. Parent Patrol members are generally stationed at specific points around the school grounds or at key intersections and help to serve as a deterrent to gang activity or other criminal activity.
- In our case, the Parent Patrol could assist kids crossing at busy intersections, help unload kids in the kiss-and-go lane in the parking lot and make sure cars are following the parking lot drop-off procedures.
- To volunteer, contact Terry Serrano (TerrySerrano@sbcglobal.net).
